EANS-News: Michael Hoeft appointed CEO of Hoeft & Wessel AG

Corporate news transmitted by euro adhoc. The issuer/originator is solely responsible for the content of this announcement.

Board of Directors (Appointments and Changes)

Hannover/Germany, 17/01/2012. (euro adhoc) - Michael Hoeft has been appointed Chairman of the Board of Management of Hoeft & Wessel AG by the Supervisory Board. He will be taking over the tasks of Hansjoachim Oehmen, who will be leaving the Company with immediate effect.

In 1978, Michael Hoeft and Rolf Wessel had founded the company by the same name. From an erstwhile start-up, they formed a successful medium-sized company with a workforce of some 500 employees. The Hoeft & Wessel Group today is the leading technology specialist in the field of IT hardware and software for ticketing, parking and mobile solutions in the United Kingdom and Germany. Its main locations are Hannover, Germany, and Swindon, west of London.
