Fraport AG and Cathay Pacific Sign New Freight-handling Contract for FRA

Frankfurt Main, Germany (ots) -

Cathay Pacific Airways has again extended its freight-handling contract with Fraport AG Frankfurt Airport Services Worldwide for another three years at Frankfurt Airport (FRA). Since 1993, the Asian airline has been a major customer of Fraport's freight handling department, part of the Aviation Ground Services and Logistics division. Retroactive to September 1, the new contract runs until August 31, 2004. "We are pleased to continue the positive work with Fraport's freight-handling team," said Ray Jewell, Cathay Pacific Airways Cargo Manager Europe. The contract signing at Cathay Pacific's Hong Kong headquarters was attended by Prof. Manfred Schölch, Vice Chairman of the Executive Board of Fraport AG, as well as James Barrington, Director Sales and Marketing, and Kenny Tang, General Manager Cargo, both of Cathay Pacific. Fraport was recently in Hong Kong with its Pantares alliance partner Schiphol Group to celebrate the ground-breaking ceremony for the construction of a new freight logistics center at Hong Kong International Airport.
