Media release

Summer flight schedule 2024 with a diverse choice of destinations

Flights to 103 destinations via 30 airlines: the flight schedule for the summer season will start on March 31, 2024 with a number of new destinations and airlines.

- **6 new destinations**
- **4 new airlines**
- **attractive connecting flights via international hubs**

EuroAirport is the Tri-Border Area's airport with many direct flights, primarily within Europe and to the Mediterranean region.

The summer flight schedule 2024 (valid from March 31 to October 26, 2024) offers 103 destinations in 33 countries directly out of EuroAirport. The offer includes destinations in Canada, Croatia, Cyprus, Denmark, Egypt, France, Greece, Italy, Morocco, Norway, Spain, Tunisia and the United Arab Emirates.

Several airlines propose attractive connecting flights via their international hubs: Aegean Airlines (Athens), Air France (Paris), Austrian Airlines (Vienna), British Airways (London), flydubai (Dubai), KLM (Amsterdam), Lufthansa (Frankfurt and Munich), Norwegian (Oslo), Pegasus Airlines and Turkish Airlines (Istanbul), Sun Express (Antalya and Izmir) as well as Vueling (Barcelona).

AJet (formerly known as AnadoluJet, a subsidiary of Turkish Airlines) will be offering 5 flights a week to Istanbul Sabiha Gökçen Airport from the start of the summer season and a weekly flight to Ankara starting in April.

In May, the airline Air Arabia will be launching two weekly scheduled flights between EuroAirport and Rabat in Morocco.

As of June, the airline Norwegian will connect EuroAirport with Oslo and Copenhagen. For the time being, both connections will be offered two to four times a week (for further information, please click [here](#)). In addition, easyJet will fly to Copenhagen on a daily basis. Egyptian Nesma Airlines will be returning to EuroAirport in June as well, offering a weekly flight to Hurgada until the end of September.

From August on, flydubai will launch regular flights between EuroAirport and the airline's hub in Dubai (4x/week, for further information, please click [here](#)).

New within easyJet's range of destinations are the Mediterranean island of Malta (2x/week), the Croatian port city of Rijeka (2x/week) and the Italian coastal town of Salerno (2x/week). A direct flight to Chania on

Crete is once again offered this summer (2x/week with easyJet).

Furthermore, the airline Condor will be offering new flights out of EuroAirport (Palma de Mallorca, 3x/week). In addition, this popular seaside resort will also continue to be served by easyJet (several flights per day) and Eurowings (5x/week).

The following destinations were already part of the winter flight schedule and will be continued in the summer:

- Enfidha/Tunisia via easyJet: 2x / week
- Funchal/Madeira via easyJet: 2x / week
- London Stansted via Ryanair: 3x / week
- Oran/Algeria via ASL Airlines: 2x / week

An overview of all destinations accessible out of EuroAirport can be found [here](#).

As the Airport expects passenger volumes to increase with the start of the summer flight schedule, we recommend that travellers arrive at the Airport early - at least two hours prior to departure - and prepare well for their trip.

For passengers arriving by car, it is advisable to [reserve a parking spot in advance](#). In general, the Airport advises to use public transportation.
