Summer flight plan 2023: A diverse choice of destinations

Flights to 100 destinations via 27 airlines: the flight plan for the summer season will start on March 26, 2023 with a number of new destinations.

- **6 new or relaunched destinations**
- **4 new airlines**
- **Increase of flight frequencies to certain destinations**

EuroAirport is a regional hub for direct flights within Europe and to the Mediterranean region. The summer flight plan 2023 (valid from March 26, 2023 to October 28, 2023) offers 100 destinations directly out of EuroAirport. The offer includes destinations in Canada, Cyprus, Egypt, France, Greece, Italy, Morocco, Spain and Tunisia, among others.

Several airlines propose attractive connection flights via their international hubs: Aegean Airlines (Athens), Air France (Paris), Austrian Airlines (Vienna), British Airways (London), KLM (Amsterdam), Lufthansa (Frankfurt and Munich), Pegasus Airlines and Turkish Airlines (Istanbul), Sun Express (Antalya and Izmir) as well as Vueling (Barcelona).

This summer, various new flight destinations will be available out of EuroAirport. For the first time, Cyprus Airways offers flights to EuroAirport and launches a weekly connection to Larnaca. EasyJet will fly to Larnaca for the first time as well (2x / week). New flight connections within Nouvelair's offers are the ones out of EuroAirport to Tunis (2x / week) and Djerba (once a week). Wizz Air serves Rome (3x/week) and Iasi (2x/week) for the first time during the summer season, too. Marseille, which became an available destination with the start of the preceding winter flight plan, will also be connected to EuroAirport during the summer via easyJet (2x/week).

Apart from existing flights connections to Antalya provided by Sun Express and Pegasus Airlines, Southwind Airlines and Mavi Gök Airlines offer them as well (3x / week and 1x / week respectively).

Several destinations are offered more frequently. The city of Constantine is now also one of ASL Airlines' destinations (1x/week), in addition to the connection offered by Air Algérie (3x / week). Furthermore, flight frequencies for the following destinations will be increased:

- Montreal via Air Transat: 2x / week
- Barcelona via Vueling: daily connections
- Dublin via Ryanair: 5x / week
- Zagreb via Ryanair: 4x / week
- Casablanca via Air Arabia: 5x / week

- Hurghada via Air Cairo: 3x / week
- Antalya via Pegasus Airlines: 4x / week and via Sun Express: 3x / day

As the Airports expects passenger volumes to increase with the start of the summer flight plan, we recommend that passengers arrive at the Airport early - at least two hours prior to departure - and prepare well for their trip.

For passengers arriving by car, it is advisable to [reserve a parking spot in advance](#). In general, the Airport advises to use public transportation.
