Swiss introduces its new online promotion with Agence Virtuelle

Geneva (ots) -

SPAP - Swiss International Air Lines, www.swiss.com, launches this week European price promotion in Switzerland, Austria, Germany and Netherlands with top e-marketing agency Agence Virtuelle SA, based in Geneva.

Agence Virtuelle, www.agencevirtuelle.com, will take care about this online marketing campaign beginning this week on major search engines, such as Google, via dedicated cost per click (CPC) campaigns. This technique is unique and Agence Virtuelle use its in-depth knowledge to fine-tune each keyword at the lowest possible price to promote the new fares (41 destinations) such as:

From Switzerland:

Hamburg from Frs 99.-
Paris from Frs 99.-
London city from Frs. 112.-

From Austria:

Malaga from EUR 173.-
Palma from EUR 193.-
Brussels from EUR Frs 160.-

To know more: www.swiss.com

Cost Per Click (CPC) is a technique used to promote these destinations based on real clicks from surfers not impressions, CPC includes also now classical banners calls CPC banners that could you be used as traditional banners in the past, but the invoice will be based only when people click on the ads. Brands pay only when people click.
